supported our school last year?

No need to re-register. Log onto your online account to confirm your school ID's.

it's a great partnership...

Once you are registered to support our school, points are earned every time you shop. Those points are used to determine how much cash we receive.

BONUS: When you register online and include your email address you'll have up-to-date access to view your rewards points, save over \$100 yearly with email, plus build meal plans and more!

we use rewards to
 buy **anything** we need
 for our students

open to all schools.
